

Trip to HANG Indoor Playground

At HANG Indoor Playground I am allowed to have fun and play.

At HANG Indoor Playground I am expected to follow the rules and be safe.

No Running

No hitting, pushing, fighting, scratching, biting, spitting, pinching

No Shoes

Going to HANG Indoor Playground is a special change to my day and makes me very happy.

When I'm told it's time to eat and drink, I will go and sit to eat and drink.

When the adult says that it is time to go, I will put my shoes back on and wave good-bye to all HANG staff.
